

# Letter Blast Off!

## Materials Needed:

Photo stacking blocks - If you would like to purchase them, you can find them [here](#). Otherwise, you could tape the letter cards to the sides of those big foam dice they sell at the dollar store.

Do a Dot marker – those can be found [here](#) or your local craft store.

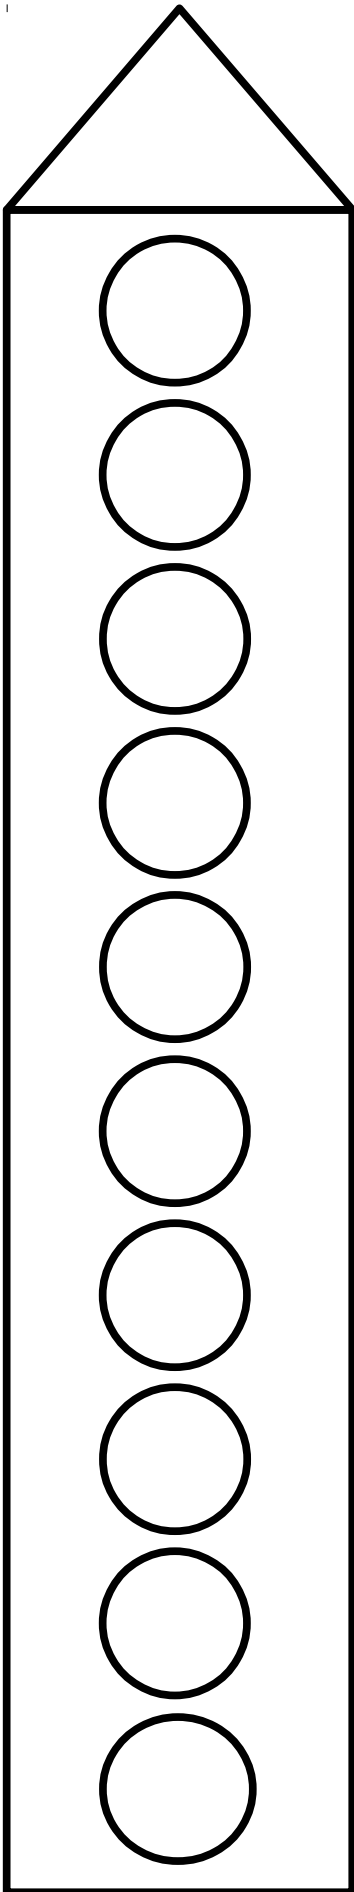

## Activity Prep:

Print the letter card inserts for the letter you would like to work on and add the inserts to the pockets of a photo stacking block. Then print the game board that matches the letter you are working on.

## Directions:

1. Your child should roll the die and identify whether the letter facing up is lowercase or uppercase.
- 2 Then they should locate the rocket ship on the game board that corresponds to the letter they rolled.
3. Next, they will dot one of the circles on that rocket ship.
4. Repeat these steps until the last circle on one of the rocket ships is dotted with the do a dot marker. That letter rocket wins!
