Game Prep:

1. Write the word family ending (rime) on each side of a foam cube.
2. Write the corresponding beginning letters (onset) on another foam cube. *Make sure they match the words on the game board.
3. Print the coordinating board game.
- 4 Repeat steps 1-3 for each board game you are using.

Directions:

1. Players will place their game piece on the "START" space.
2. The first player will roll both foam dice.
3. Then they will determine which word is spelled when combining the onset and rime. They will say the word out loud.
4. They will find the next instance of that word on the game board and move their game piece to that space.
5. The next players will repeat steps 2-4.
6. Play continues until a player reaches the "END" space.
